Screening of Film “A Bigger Place”

finding oneself in self-governance

August 19, 2026, at 11:00 AM

McKenzie Art Gallery – Shumiatcher Theatre

The film explores the day-to-day construction of autonomy in a Mexican town, revealing a broad interweaving of people, generations, spirits and landscapes. It plunges us into the heart of a collective process, where self-governance becomes a responsibility towards oneself and others.

Screening of Film: “A Cree Approach—Nehiyawewin”

Friday August 21, 2026, at 11:00 AM

McKenzie Art Gallery – Shumiatcher Theatre.

The film, **A Cree Approach**, follows Tristin Greyeyes in her journey to understand why Cree was not her first language, unraveling the story of her late grandmother, Freda Ahenakew. This film is part of the Regina International Film Festival and Awards.
